Dear Parents and Carers

Welcome back – I hope you had a good half term break and that we're now finally at the end of all the windy weather and storm warnings!

Bad Weather

With winter now upon us, please remember to check the Norfolk County Council website for any closures.

Head Lice

We have had further reports of head lice. Please check your child's hair carefully and treat if eggs or lice are found. Even after treatment, regular combing and checking is needed to prevent the return of lice and eggs.

Help Your Child to Learn

Please continue to support your child's learning by encouraging them to read a minimum of ten minutes a day, five days a week. Please support your child by signing this in their learning diaries. When reading at home, children can read either a book from school or home as we want to promote a love of reading for pleasure. If you want to discuss anything about reading please contact your child's teacher
