Dear Parents & Carers

It has been amazing to see all the children working so hard together to raise funds for Sport Relief week – there was an abundance of activity across all three schools which children embraced with enthusiasm, enjoying taking part in the variety of activities. Thank you to the school council staff and children for organising it all.

Coronavirus

At present, as far as school closures are concerned, we are following all guidelines and advice given by the Department for Education and Public Health England. We will keep you up to date with any developments as they happen.

We ask that you keep up the stringent hygiene routines at home, follow all guidelines that are emailed to you each day and follow the Public Health England website.

Due to the situation with Coronavirus, we have had to take the decision to cancel the following:

Thank you to Mrs Frost & World Book Day

A really big thank you to Mrs Frost who created and supplied the notebooks for all winners and runners up for World Book Day. The creative vegetable ideas were absolutely amazing and it was so, so difficult trying to pick any winners at all, when all looked so good!

Coronavirus – Rumours

Please can I ask that people do not spread rumours and only listen to advice from trusted sources such as Public Health England. If there is information about the schools, this will be communicated via text and/or email and on the website. Thank you.
