Uniform from September

We have made the decision not to wear school uniform upon our return in September and this will be reviewed each half term. Children will need to wear something comfortable (such as joggers) and will need to wear different clothing every day.

Return to School in September

At the moment, we are awaiting guidance from the DfE about what is needed for reopening in September. When we have the information and have worked out the logistics and what it will look like for each school, these plans will be shared with you.

Virtual Sports Day

We have organised a virtual Sports Day taking place for w/c 06.07.20 and have attached the grid for you to complete if you wish to. Those of you without internet access have had the information posted out to you. The grid information can be given over the phone during the phone calls with teachers.
