Dear Parents and Carers

It has been lovely to see the children back in school and playing alongside their friends. The children have impressed us all with the new routines, following the rules and engaging with their learning.

Please can I remind you that parents/carers need to be 2m away from each other, should not congregate in school areas to chat and need to leave the school premises as soon as you have dropped off or collected. Where possible, can only one parent/carer collect from school. Thank you for not using the offices and placing any information in the boxes provided.

Uniform

Thank you for ensuring different clothes are worn each day – just a reminder that we have increased ventilation in all areas with doors and windows open, so please ensure your child has warm enough clothes depending on the weather. It can often be warmer outside than it is inside!

New Social Distancing Rules

I am sure you are all aware of the new social distancing rules that came into effect from Monday, with gatherings of no more than 6 people to meet up inside or outside. This is difficult as well as disappointing and affects us all, but please can I ask that this is followed to keep our school communities safe and open.

Pupil Asset App

It is now possible to download the Pupil Asset App and this will enable you to make changes to the details of the main contact and to order and (where required) pay for school lunches. Please find attached information.

Celebration Certificates

We will not be sending home certificates with children on a Friday, but will email them out instead to those who have achieved one.

NHS Just One Number

The NHS service 'Just One Number' is available on 0300 300 0123 or <https://www.justonenorfolk.nhs.uk> and includes access to Health MOTs for families.
