Headteacher's message

Dear all,

Although many of the specific COVID-19 laws have changed, the public health guidance remains largely unchanged. The principles of hands, face, space and fresh air remain key to infection control, and we continue to ask people to act responsibly by staying at home and away from others if they have symptoms or test positive for COVID-19. When a pupil, staff or other adult develops COVID-19 symptoms¹ or has a positive test they should follow the guidance People with COVID-19 and their contacts² which advises;

“Children and young people with COVID-19 should not attend their education setting while they are infectious. They should take an LFD test from 5 days after their symptoms started (or the day their test was taken if they did not have symptoms) followed by another one the next day. If both these tests results are negative, they should return to their educational setting if they normally attend one, as long as they feel well enough to do so and do not have a temperature. They should follow the guidance for their educational setting.”

We have a responsibility under the existing Public Health Laws and Health Protection Regulations to respond appropriately to all infectious diseases (e.g. Mumps, Measles, Rubella, and COVID-19). We do this by making sure we follow published guidance and have in place risk assessments and Health and Safety policies. Therefore, in line with our risk assessment and related policies, children and young people who test positive or have symptoms of COVID-19 must stay at home as per the published guidance.

Collective Worship

This half term we are looking at the value 'courage'. Children will be sharing stories from the bible as well as other stories, both fiction and non-fiction, that enable us to think about what courage means.

Parent Teacher Associations

Would you like to join your school's Parent Teacher Association?

All three schools have well established Parent Teacher Associations: FOSTA at St Andrew's, HSA at All Saints and Friends at Hapton. They are always looking for more members - if you would like to join please contact your school office and they will be able to direct you to the members of the associations.

Social Media

The Facebook page for All Saints is now active - please click the link below. Please let your relatives and friends know!

Other schools to follow soon.

Thank you

All Saints would like to thank all the parents that donated tyres for our garden and nature area. The children have already started using them and we look forward to seeing the end product in the Summer term!
