

English

We will be reading *The Last Wild* by Mini Grey and *Between Tick and Tock* by Louise Greig. We will be using these stories to write in a variety of ways including; traditional tales, free verse poetry and narrative. We will also be writing biographies in our history lessons about famous nurses. Please Remember to read at home for 5 minutes a day and make a note in your child's reading record.

Science

We will observe and describe weather associated with the seasons including how day length varies. After half term we will learn that animals, including humans, have offspring which grow into adults; describe the basic needs of animals, including humans, for survival; and describe the importance for humans of exercise, eating the right amounts of different types of food.

Maths

We begin this term by identifying and sorting 2D and 3D shapes by identifying their properties. We will then move onto money; learning to recognise and count coins and notes. Later in the term, we will explore multiplication and division by using arrays. We will finish the term by learning about fractions (halves, quarters, and equivalents) as well as beginning to tell the time.

Computing

What do you know about algorithms? We'll be learning how to write an algorithm to make cakes! Delicious.

RE

What do Jews remember on Shabbat? We will explore this question using the Jewish story of Shabbat.

Year 2

Welcome to spring term. We will all be needing our warm clothes this term. Hopefully, we won't need our skis to make it to school, but you never know! This term we will be thinking about Living and Loving and our Collective Worship values are Trust, Forgiveness, Compassion and Creativity.

Geography

After half term we will be going mad for maps. We will draw real and imaginary maps and begin to understand the need for a key. We will use class agreed symbols to make a key. We will follow a route and begin to spatially match places and make an aerial view map.

Music

Warm up those vocal chords as we'll be doing a lot of singing this term. We'll be learning to sing a variety of songs and looking at notes.

Art

We are learning about Henry Moore and his sculptures and will be trying out our own sculptures.

PE

We will be focusing on indoor athletics. Our PE days this term are Monday and Wednesday, but make sure you have your full PE kit in school everyday.

PSHE

My body: anatomy, autonomy & emotional
How to stay healthy.
