20th December 2023

Hapton

Wow! What an adventure we had yesterday! Here are some of the comments from the Ladybirds and Rockets:

"The fish and chips were very delicious!"

"The Luminare lights were amazing!"

"This was the best school trip of all time!"

"I loved the decorations in the hall! The kitchen was amazing and the Pop Art room was brilliant; the ice-cream heads were funny!"

All the children have worked so hard this term and we are very proud of all they have achieved. We hope they all enjoy a well earned rest this Christmas and look forward to welcoming them back in the new year.

All Saints

Wow, what a busy couple of weeks we have had. Last week, we had our Christmas crafting afternoon. All the children (and grownups) enjoyed making Christmas cards and collage Christmas trees. Some of us even attempted to make origami lanterns (with varied success!). We have finished all of our learning for this term, and we are really excited to find out what we are learning about after our well deserved holiday.

Yesterday was our Christmas Extravaganza trip to Holkham Hall and Illuminate at Sandringham. We all had an amazing time exploring the hall by candlelight and seeing all the wonderful light installations. We then had some lovely fish and chips by the seaside (those pesky seagulls were out in force!) which went down a treat. Illuminate blew us all away, and it look so beautiful in the dark.

From all of us at All Saints, we wish you a Merry Christmas and hope you have a happy New Year.

St Andrew's

We have had a great time in Butterflies learning about and acting out the Christmas story. We have also had fun reading Christmas books such as 'How the Grinch Stole Christmas' by Dr. Seuss and writing about ways to make the Grinch smile. In maths, we have been completing our place value topic by furthering our understanding of different methods to work out addition and subtraction calculations, as well as comparing numbers. We had a fantastic Christmas Extravaganza trip on Tuesday, exploring three Christmassy locations. We loved looking at different Christmas decorated rooms in Holkham Hall and the amazing lights in Sandringham. Have a wonderful Christmas holiday and we look forward to enjoying learning lots in the new year!

What a spectacular success of a day! The Federation trip to Holkham and Sandringham yesterday was a fantastic experience for everyone who went - summed up by the gasps of amazement from the children at the sights of the beautiful Christmas decorations and amazing lights at both locations. Holkham Hall was breathtakingly decorated with 44 Christmas trees, delicately crafted baubles and mobiles and spell-binding light displays. We followed our guide around the hall, through different rooms which were decorated in different themes from Pop Art to a Victorian Christmas. The projected light shows were cleverly done and were mesmerising. The tour finished with a festive drink and biscuit which went down a treat. We were even able to see some of the 800 deer that live on the park outside the house. It was a wonderfully 'Christmassy' visit to a splendid house.

Our next stop was a meal at Henry's in Hunstanton! We all needed it! And after pretty much filling the restaurant, the children enjoyed some delicious chips and other great food, thanks to the wonderfully welcoming staff. It was so good to see the excitement and smiling faces as we prepared for our final destination. And then to Luminare at Sandringham! It was dark by now and the trail we followed wound its way through the forest and around each corner were fabulous light displays - from lasers to light sensitive stepping stones; from a dancing light display to magical projected fairies! It really was a magical end to such a festive day!

All of the children behaved fantastically and were polite and thoughtful throughout the day. It really was a pleasure to share such an experience with everyone! What a way to end the term!

Children Comments:

Ollie (Yr3) - The light show in the hall was really nice. It was shining all over the ceiling.

Bethany (Yr6) - I liked the trail at Sandringham because when you walked through the lights it seemed really magical.

Harry (Yr5) - The room that had showed a traditional Victorian Christmas at Holkham Hall was great especially train and the gingerbread house.

Save the Date – Federation

Term 3	2024
4th January	School opens to pupils and staff
4th January	Eco Week across the Federation

With all good wishes for a wonderful Christmas, The Saints Federation Team!

CHRISTMAS HOLIDAY CAMP

Thursday 21st December

Friday 22nd December

9:00 – 15:00

Payments by Week:	1 Child:	2 Children:	3 Children:	4 Children:
1 Day:	£20	£35	£50	£65
2 Days:	£35	£60	£85	£110

Heywood Sports and Fitness, 30 Walcot Road,
Diss, Norfolk, IP22 4DB

DISCOUNTS

Siblings will receive a discount of 25%. 1 Day = £15.00, 2 Days = £25.00.

ENROLMENT

To book a child onto the camps please use our online booking form at: (<https://forms.office.com/e/jsja530xqZ>). This can also be found on our Facebook Page at Heywood Clubs, or you can request it be emailed to you from the email address below.

INFORMATION

The camps are for anyone aged 5 to 15 and will consist of various sports such as: tennis, football, padel, multi-sports, skills games and many more throughout the day and week. There will be a mid-morning break and lunch break. Lunch and drinks will need to be brought with them and appropriate clothing for sport and the weather on the day. We offer a tuck shop at lunch so they may wish to have a little money to buy some sweets. If you would like more information regarding our holiday camps, please email clubs@heywoodsportsandfitness.onmicrosoft.com

What we've been up to this term!

Key Messages - As always, Safer Schools Support Workers, Hazel and PJ, have been working hard to ensure our key safety messages are delivered to all students in Norfolk secondary schools. We have updated the resources for this year and have already delivered 99 sessions:

Year 7 - Online Safety Awareness - 34 sessions delivered.

Year 8 - Drugs and the Law - 25 sessions delivered.

Year 9 - Understanding Violence / Grooming and Child Sexual Exploitation - 23 and 5 sessions delivered respectively.

Year 10 - Abuse in Relationships - 12 sessions delivered.

We've received some great feedback from teachers:

"Fantastic presentation. Very informative." "The pupils always enjoy the sessions and interact well."

Online Key Messages - Where necessary, we have delivered some of our Key Messages online. This has ensured that children who are home-schooled have been able to access the sessions.

Careers Assemblies and Workshops - Deputy Chief Constable Megicks and Recruitment Advisor, Amy Stanton, along with Safer Schools Police Officer, DC Smith, delivered careers assemblies and workshops at Kings Lynn Academy and Springwood High school. We hope to see the names of some of the students who attended these sessions on application forms in the future!

Healthy Relationships and Consent - Safer Schools Police Officer, DC Proctor, has delivered lessons around healthy relationships with students at Sewell Park Academy. She has really enjoyed enhancing the PSHE curriculum and being able to have open and frank discussions with students about this tricky subject.

Crucial Crew - We have attended 3 Crucial Crew events where we have spoken to 1548 year 6 pupils about sharing content online. We even had a very important visitor, Mayor of Great Yarmouth Penny Carpenter, in attendance at the sessions in Gaister.

Hate Crime - During Hate Crime Awareness Week in October, we delivered 4 webinars for year 5 pupils. We looked at the ways in which we are different and what makes a crime a "hate crime". Around 3000 students took part in these events - that's 1000 more than last year!

We also continue to provide local Beat Managers with resources to deliver in schools around a range of subjects, including the law, online safety and respecting each other and our communities.

Safer Schools Newsletter

Autumn Term 2023

Hi everyone! Here's an update on what we've been up to in the Safer Schools and Youth Engagement Teams this Autumn Term 2023.

If you have any comments or questions about the newsletter, please email sspteam@norfolk.pnn.police.uk

Christmas Safety Messages!

Keeping your property safe! Don't let criminals ruin your Christmas. Ensure Christmas presents are out of sight, whether in your car, or in your house. Be mindful of how you dispose of packaging materials. Make sure they're hidden away in your general or recycling waste. Thieves target homes where they can see expensive gifts have been bought.

New bike? Get it registered with www.bikeregister.com. That way, should you be unfortunate enough to have it stolen, it will be more likely to be recovered.

E-Scooters - These continue to be popular gifts but please be aware of the law around E-Scooters. Privately owned ones cannot be used on public roads or parks. Click [here](#) for more information.

New mobile phone? Tablet? Laptop? Keep your children safe online by learning about apps they are using and checking in with them about what they are doing online. Further information about online safety can be found on the National Online Safety website [here](#) and on the CEOP Education website [here](#).
