Using the book 'Street child' by Berlie Doherty, we will be writing a variety of different text type, working alongside our history topic of the Victorians.

Over the term, we will be concentrating on fiction and non-fiction genres including recounts, setting description, diary writing and poetry.

We will be developing our comprehension skills, understanding how to retrieve information from a text and make inferences to build our understanding.

#### **Science**

The first half term we are learning about electricity. This will be followed by learning about forces. We will be conducting a range of experiments where we will make predictions using our scientific knowledge and use fair testing to test our theories and draw a conclusion.

# Year 5

# **Mathematics**

In Maths., Year 5 will be looking at place value, including recognising numbers up to 1,000,000 and rounding within these numbers. We will also be looking at different calculation strategies as well as developing their understanding of fractions. In the second half of the term, we will be looking at calculations including multiplication and division.

#### Computing

In Computing this term, we will be learning about photo editing. We will change a digital image by colouring, cloning and combining as well as creating and evaluating an image.

#### R.E.

We will be finding out about where religious beliefs come from as well as exploring how religious groups contribute to society and culture. Welcome back! Year 5 have a busy term ahead. We are studying Victorian Britain in history, and supporting this through reading some fantastic books set during the period. Take a look at what we'll be getting up to!

#### **Music**

Our music this term is based around singing a range of songs, three-part rounds and practising for our performance at the end of the term.

## Art/D.T.

We will be developing our skills through colour sketching. We will also look at the work of William Morris. In D.T., we will be designing and making a fairground ride.

# <u>P.E.</u>

We will be developing our skills and understanding of team games using attacking and defending strategies. We will also be practising using precise, controlled movements in gymnastics.

\*\*\*\*\*\*\*\*\*\*\*\*

# P.S.H.E.

In PSHE we will be learning about friendships and relationships. We will look at different types of relationships and how to manage and how our values link to our behaviour in those relationships.

# History & Geography

This term we will be finding out about the Victorians in our History lessons. We will look at what it was like to live and work in the Victorian era. We will explore our world through our Geography learning, using atlases and maps to identify different places and identify different time zones around the world.
